Circular No.127:2022

23.09.2022

Dear Comrades,

Clerical to Officers Promotion Process

We enclose the list of the candidates who are eligible to participate under seniority channel, as per their weighted seniority. If you find any discrepancy, please bring it to our notice. We take this opportunity to wish the candidates every success in the promotion process.

As the examination is scheduled two days prior to Deepavali and the candidates will be finding it very difficult to get train tickets, we have requested the management to postpone the examination to a future date.
